Vrindavana Yatra

The greatest experience of a spiritual journey

Tirtha Yatra conducted themed tours in Vrindavana during the holy month of Karthika, attended by 50 yatriis from all over India. Yatriis experienced the unique life and culture of Vrindavana during the tours. They were also educated about the importance of the holy land which is revered as the top most pilgrimage center on this planet.

“This yatra was simply awesome and was the most blissful divine experience ever. It has left me craving for more yatras like this. It was well planned with sumptuous and tasty prasadam, bhajans, sat-sang and krishna-lila smarana. This yatra has brought me closer to Lord Krishna.”

Varsha Ramanna, Senior Engineer, Bosch

Dwarka Yatra

A royal voyage to the kingdom of Lord Krishna

Organized during the Navaratri vacations, this yatra was attended by 40 yatriis. The yatra was especially planned keeping in mind the preferences of children as well as senior citizens. Our team also infused the Gujarati culture in this yatra.

“This is the best trip that I have attended till now; awesome food, accommodation and awesome Tirtha Yatra team. This yatra has influenced me in a lot of ways.”

Shravani, Student

“Your effort in organizing this yatra is really appreciable. We are happy that we visited these holy places and learnt about them. It is good to see that the young team members of Tirtha Yatra are spreading awareness about the greatness of holy places in India and the Indian culture itself.”

This was a one day weekend yatra to Rangasthala and Kaiwara. Kaiwara in Karnataka has a history dating back to millions of years. Rangasthala houses a very beautiful Deity of Sri Moksha Ranganatha.

“This yatra was a blissful, divine, invigorating and enchanting experience.”

Sheela Raj, Banker

“Wonderful is the only word I get in mind for Tirtha Yatra. Yatra Director catered to every pilgrim - from making everyone comfortable, the food, travel and the commentary - everything was great. The team was expert in planning the food menu. I look forward to associate with Tirtha Yatra team.”

Karighatta Yatra

A great break from a normal routine

Karighatta is known as Tirupati of Karnataka. This sacred hill was brought by Hanuman during the Treta-yuga. We also visited the nearby temple of Sri Gunja Narasimha Swamy on the banks of River Kaveri.

“I had a great experience. It was a great break from our daily routine. Apart from the site-seeing it was very much of enlightenment for us about our culture and religion.”

Surabhi, BA-LLB Student

“Thanks a lot for giving this great opportunity of me being the part of this trip. I had a memorable day and awesome darshan. Prasadam was delicious and tasty. My dream of 3 years came true after visiting the Maddur Ugra Narasimha Temple and abhisheka there. Thanks a lot for it.”
