Tirtha Yatras

INTRODUCING
Divya Kashi Yatra!
Message from the Managing Director

Dear Tirtha Yatri,

This year has been very special to Tirtha Yatra as it is the second birth of Tirtha Yatra. I sincerely hope this year will create many memories for us. Last two years were challenging but exciting too. Although we had no where to travel, we brought Mansik Yatras to all of you – a means to relish your Tirtha Yatra in the comfort of house.

I am thankful to many of you who stayed with us all in the difficult times. More than the depression in the world, we could see determination to stand. It is only with your support that Tirtha Yatra has taken rebirth and standing firm.

The Covid-19 restrictions gave us an opportunity to improvise ourselves and go much deeper to the holy places, to reveal more lost holy places in the pages of Vedic texts and the buzz of this fast-changing world.

I am sure many of us are determined to take up many journeys this year to the holy places of our dream. Tirtha Yatra is ready to assist you as always but with a new avatar. This year we have released few new yatras – Ujjain Yatra, Mantralayam – Srisailam Yatra, Saptap Badrinath Yatra, Kashi Yatra for 9 days, Narasimha Yatras, Vaishno Devi Yatra and more.

We are ready and happy to receive you.

Yours in the service of Holy Dham

Agrani Krishna Dasa
Founder – Managing Director

The holy places all over the earth are meant for purifying the polluted consciousness of the human being by an atmosphere surcharged with the presence of the Lord's unalloyed devotees. If anyone visits a holy place, he must search out the pure devotees residing in such holy places, take lessons from them, try to apply such instructions in practical life and thus gradually prepare oneself for moksha. The Supreme Lord is always with such pure devotees because of their unalloyed service, which is without any tinge of personal motivation and speculation. By their actions the pure devotees of the Lord can render any place into a place of pilgrimage, and the holy places are worth the name only on their account.

-Srila Prabhupada
Om Vishnupada Paramahamsa Parivrajakacharya Ashtottarashata Sri Sri Abhaya Charanaravinda Bhaktivedanta Swami Prabhupada is the thirty second acharya in the Brahma-Madhva-Gaudiya sampradaya. He is lovingly addressed by his disciples as ‘Srila Prabhupada’. Like all the eternally liberated souls (nitya-siddhas), Srila Prabhupada’s mission was to preach Krishna bhakti to the entire world. By the end of 1977, Srila Prabhupada established 108 Krishna temples all over the world. He had encircled the globe 14 times in just 12 years, translated the Vedic scriptures such as Bhagavad-gita and Bhagavata Purana into English, authored books on the science of devotional service, lectured at thousands of occasions, convinced many scientists and bureaucrats about the presence of God, established Bhaktivedanta Book Trust – the largest religious printing press, opened gurukulas, established farm communities and above all he ruled the heart of millions of his disciples. In total Srila Prabhupada was an epitome of devotional service to Lord Krishna, the Supreme Personality of Godhead and a Tirtha in Himself.
